The Clerk has three Special Revenue Funds which are governed by Chapter 28 of the Florida Statutes. They are the Modernization Trust Fund 10% Court Related, the Modernization Trust Fund Court Technology \$1.90, and the Modernization Trust Fund Public Records Modernization \$1.00.

Excess Fees and Unexpended Appropriations

The Clerk is required under Section 218.36 of the Florida Statutes to submit to the County of Volusia, all excess fees from general government operations by October 31st after the close of the fiscal year.

The Clerk is required to remit unexpended appropriations for the Court-Related activities to the State of Florida. The unexpended amount for the fiscal year ending September 30, 2017 must be remitted by January 25, 2018.

The Clerk does not have the opportunity to accumulate net assets in the general fund.

Clerk of the Circuit Court – Volusia County Budget for Fiscal Year Ending September 30, 2017

REVENUE HIGHLIGHTS

The Court-Related activities are funded by revenues from fines, fees, and service charges. Distributions from the Clerk of Court Trust Fund will be made to fund Clerks with revenues insufficient to meet their approved budget expenditures. The Volusia Clerk is scheduled to receive \$1,870,905 for this purpose. This represents 17% of the total court budget.

Various factors were considered in preparing the budget for the 2017 fiscal year. The Clerk expects the recording fee revenues to remain stable for the coming fiscal year. The recording fees for 2016 are projected at \$2 million. The recording fees expected for the 2017 fiscal year are budgeted at \$2 million.

EXPENDITURE HIGHLIGHTS

The General Fund budget expenditures for 2017 are \$15,919,955.52. The budget expenditures for 2016 were \$15,944,450.18. The \$24,494.66 decrease is due to a \$319,016.80 decrease in the court budget and a \$294,522.14 increase in the general government budget.

The Clerks of Court Operations Corporation submitted a proposed budget request for all Clerks in the State of Florida to the Legislative Budget Commission on August 1, 2016. The total proposed budget for all Clerks was \$422,023,218. The Volusia Clerk's proposed court budget of \$10,740,346 represents 2.54% of this total.

The personal services costs for employee wages and benefits represent 87.84% of the total General Fund Budget. The Clerks of Court Operations Corporation did not provide funding to cover pay increases for Clerk staff in the 2017 budget request. The Clerks have borne within their existing budgets the increased costs of health insurance premiums and Florida Retirement System contributions. These inequities in the budget process are making it difficult for the Clerk to attract, hire, and retain a qualified and competent workforce through a competitive compensation package.

As we bring to close another budget development process, it is a privilege for me to present this budget for your perusal.

Sincerely,

Diane M. Matousek

Clerk of the Circuit Court

DIANE M. MATOUSEK

CLERK OF THE CIRCUIT COURT - VOLUSIA COUNTY, FLORIDA

Budget Overview - Fiscal Year Ending September 30, 2017

BACKGROUND INFORMATION

The County of Volusia, Florida (the "County"), implemented a County Home Rule Charter on January 1, 1971, as provided by Section 125.60 of the Laws of Florida. The County operates under an elected County Council and provides services to its more than 500,000 residents. Section 503 of the Charter specifically excludes the office of the Clerk of the Circuit Court (the "Clerk") and its related activities, as it is a separate governmental unit governed by the Constitution and Laws of Florida. The Clerk's annual budget does not include the budget of the County Council Charter government (the "County of Volusia, Florida") representing the County Council, Supervisor of Elections, Sheriff and Property Appraiser.

FUNDS REPORTED IN THIS BUDGET DOCUMENT

General Fund – The General Fund is the general operating fund of the Clerk. It is used to account for all financial resources, except those required to be accounted for in another fund.

Special Revenue Funds – The special revenue funds are used to account for the proceeds of specific revenue sources that are legally or administratively restricted to expenditures for specified purposes. The Clerk has three Special Revenue Funds: Modernization Trust Fund Public Records Modernization, Modernization Trust Fund Court Technology and the Modernization Trust Fund 10% Court Related.

FUNDS NOT REPORTED IN THIS BUDGET DOCUMENT - FIDUCIARY FUNDS

Agency Funds – Agency funds are used to account for assets held by the Clerk in a trustee capacity or as an agent for individuals, private organizations, other governments and/or funds. The Clerk has six agency funds. They are excluded from this budget because they are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. The Clerk's agency funds are: Court Registry, Documentary Stamps and Intangible Tax, Fine and Forfeiture, Miscellaneous Deposits, Juror and Witness Payments, Tax Deed Sales.

BUDGETARY POLICIES

The Clerk follows these procedures in establishing the budgetary data:

- (1) Section 218.35 of the Florida Statutes requires the Clerk, as a fee officer, to establish an annual budget reflecting resources available and function for which funds are to be expended.
- (2) The proposed budget is to be filed with the clerk of the County Council by September 1st proceeding the fiscal year of the budget.
- (3) The Clerk was required to submit a budget for court-related revenues and expenditures (for functions elaborated in Section 28.36 of the Florida Statutes) for the fiscal year ending September 30, 2016 by June

- 1, 2016. The budget was submitted to the Florida Clerks of Court Operations Corporation in accordance with Section 28.36 of the Florida Statutes. The corporation reviewed the budget request and made recommendations to the Legislative Budget Commission by August 1, 2016.
- (4) The Clerk can amend the General Government budget (Non-court General Revenue Fund) and special revenue budgets as deemed necessary during the year. Budgetary control is at the total revenue and expenditure level.
- (5) The Clerk must request approval from the Florida Clerks of Court Operations Corporation in order to amend the court-related budget. Budgetary control is at the total revenue and expenditure level.
- (6) The Clerk must remit to the General Fund of the County of Volusia, Florida, the excess revenues over expenditures for general government operations in the Clerk's General Fund. This must be done by October 31st after the close of the fiscal year, in accordance with Section 218.36 of the Florida Statutes.
- (7) The Clerk must remit to the State of Florida General Revenue Fund the unexpended revenues for the period October 1, 2016 to September 30, 2017 by January 25, 2018.
- (8) Formal budgetary integration is employed as a management control device during the year for the Clerk's General Fund and Special Revenue Funds. Appropriations lapse at the close of the fiscal year.
- (9) The budgets for the Clerk's General and Special Revenue Funds are adopted on a basis consistent with generally accepted accounting principles.

EXPLANATION OF BUDGET FUNDING SOURCES

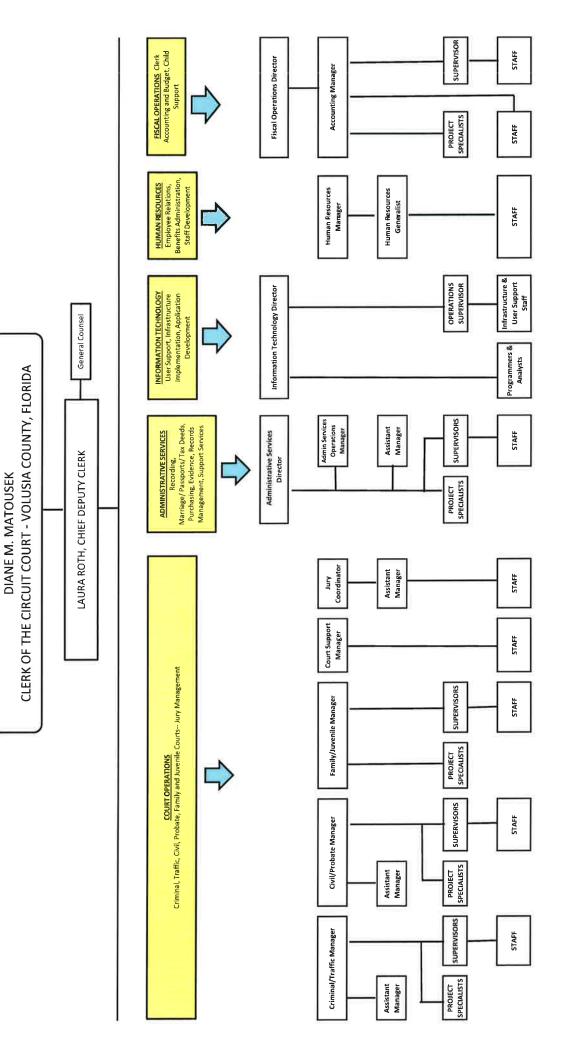

Court Operations: The Florida Legislature is responsible for funding any shortfall in the Clerk's court-related budget. The court revenues are fees and service charges for court users. The County of Volusia retains the responsibility for funding some court-related costs including facilities, communications, and shared technology. The Legislature created the Clerks of Court Operations Corporation (CCOC) to assist the Clerks in the development of their budget and to approve those budgets within statutory guidelines.

General Government: The Clerk collects recording fees as well as tax deed and marriage fees that fund non-court operations. In addition to the recording of official records, centralized administrative functions including human resources, purchasing, mail and general management are provided by Clerk's Administration. The Clerk receives transfers from the County to provide funding for the Clerk's Information Technology department. Unspent non-court revenues are returned to the County as excess fees. The Clerk has approval authority for the non-court budget.

Title IV-D Grant Reimbursement: Clerks are responsible for assisting in collecting court-ordered child support payments. The Clerk has entered into a contract whereby the Federal government reimburses the Clerk for the cost incurred in providing this service. These services are provided by employees in the Child Support Department and Family Law Departments and their time is captured and expenses are not included in our court related budget. Grant revenues are classified as non-court. The 2017 budget revenue from this grant is \$411,356.78.

EXPENDITURE INFORMATION

Indirect administrative expenses benefit Court-Related and General Government operations. They are allocated according to the method used for State court budget reporting. The allocation percentages for the fiscal year ending September 30, 2017 are 79.03% to Court-Related and 20.97% to General Government.
