Various factors were considered in preparing the budget for the 2021 fiscal year. LAURA E. ROTH

CLERK OF THE CIRCUIT COURT - VOLUSIA COUNTY, FLORIDA

Budget Overview - Fiscal Year Ending September 30, 2022

INTRODUCTION

Historical Overview

The County of Volusia, Florida (the "County"), implemented a County Home Rule Charter on January 1, 1971, as provided by Section 125.60 of the Laws of Florida. The County operates under an elected County Council and provides services to its more than 550,000 residents. Section 503 of the Charter specifically excludes the office of the Clerk of the Circuit Court (the "Clerk") and its related activities, as it is a separate governmental unit governed by the Constitution and Laws of Florida. The Clerk's annual budget does not include the budget of the County Council Charter government (the "County of Volusia, Florida") representing the County Council, Supervisor of Elections, Sheriff and Property Appraiser.

Current Economic Environment

At the start of 2020 the Volusia County economy was thriving and the Clerk's office was set to have an excellent year when the pandemic forced an office closure, layoffs, and lost revenues. The impact of the coronavirus pandemic carried over into 2021, however revenues have begun to pick up with more people returning to work. We have been challenged with the postponement of jury trials, evictions, and foreclosures, numerous Governor and Supreme Court imposed orders, as well as, local administrative orders, and challenges with hiring qualified applicants. Challenges continue into 2022 with keeping our employees and customers safe and healthy, and dealing with a backlog of court case work caused by the pandemic, and maintaining our workforce during the "Great Resignation."

MAJOR REVENUES

The Clerk of Courts Operations Corporation, an entity of State government sets the court-related budget based on the revenue forecast for all clerk offices with the State. The Volusia County Clerk determines the budgeted revenues for other governmental services and activities that are analyzed and modified to reflect local experience.

Court Fines, Fees, & Services Charges: These revenues are derived from charges that are set out by various Florida Statute to be assessed for all court case types and are budgeted at \$8,823,200 for FY 2021-22.

Other Governmental Services: These revenues collected based on various Florida Statutes for services provided for recording public records, processing tax deeds, marriage licenses and passports and are budgeted at \$4,430,000 for FY 2021-22.

Modernization Trust Funds: These revenues are derived from fees charged under Florida Statute 28.24 (12) and are used to modernize court technologies and to improve technologies for the retention of public records and are budget at \$2,050,000 for FY 2021-22.

County Support for IT Operations: Volusia County has partnered with the Clerk to provide technology needs for the courts and the county under Florida Statute 29.008(1)(f)(2) by providing the Clerk's office a monthly stipend to cover IT operating costs, and are budgeted at \$2,415,000 for FY 2021-22.

FINANCIAL STRUCTURE

To provided fiscal accountability for the various resources, funds have been established. Each fund is a separate entity with its own resources, expenditures and liabilities and residual balance.

Special Revenue Funds – The special revenue funds are used to account for the proceeds of specific revenue sources that are legally or administratively restricted to expenditures for specified purposes. The Clerk has two Special Revenue Funds: Modernization Trust Fund - Public Records Modernization and Modernization Trust Fund - Court Technology.

Fiduciary Activities – Fiduciary Funds account for assets that do not belong to the Clerk, but are under the Clerk's control for administration as the Court directs. These funds are not available to support the operations of the Clerk's office.

Custodial Funds – This type of fiduciary fund accounts for assets belonging to others that are held in a custodial capacity pending the release and direction of the Court.

- (6) The Clerk must remit to the General Fund of the County of Volusia, Florida, any excess revenues over expenditures for general government operations in the Clerk's General Fund. This must be done by October 31st after the close of the fiscal year, in accordance with Section 218.36 of the Florida Statutes.

- (9) The budgets for the Clerk's General and Special Revenue Funds are adopted on a basis consistent with generally accepted accounting principles.

EXPLANATION OF BUDGET FUNDING SOURCES

Court Operations: The Florida Legislature is responsible for funding any shortfall in the Clerk's Court related budget. The court revenues are fees and service charges for court users. The County of Volusia retains the responsibility for funding some Court related costs including facilities, communications, and shared technology. The Legislature created the Clerks of Court Operations Corporation (CCOC) to assist the Clerks in the development of their budget and to approve those budgets within statutory guidelines.

General Government: The Clerk collects recording fees as well as tax deed and marriage fees that fund non-court operations. In addition to the recording of official records, centralized administrative functions including human resources, purchasing, mail and general management are provided by Clerk's Administration. The Clerk receives transfers from the County to provide funding for the Clerk's Information Technology department. Unspent non-court revenues are returned to the County as excess fees. The Clerk has approval authority for the non-court budget.

Title IV-D Grant Reimbursement: Clerks are responsible for assisting in collecting Court ordered child support payments. The Clerk has entered into a contract whereby the Federal government reimburses the Clerk for the cost incurred in providing this service. These services are provided by employees in the Child Support Department and Family Law Departments and their time is captured and expenses are not included in our court related budget. Grant revenues are classified as non-court. The 2022 budget revenue from this grant is \$200,000.

EXPENDITURE INFORMATION

The General fund budget expenditures (unaudited) for 2021 were \$14,218,753. The budgeted expenditures for 2021 were \$17,043,686. The budgeted expenditures for 2022 are set at \$19,006,597.

Indirect administrative expenses benefit Court Related and General Government operations and are allocated according to the method used for State court budget reporting. The allocation percentages for the fiscal year ending September 30, 2022 are 80% to Court Related and 20% to General Government.

The personal services costs for employee wages and benefits represent 81.9% of the total General Fund budget.
